SPEAKERS:

**Georgia Berger, MPH,
RHIT**

Georgia Berger has been a health information consultant for the last 5 years with 10 years' experience in health information. Her background includes business management, teaching, and document development. She serves on the Arapahoe Community College Health Information Advisory Council; mentors for AHIMA students; and provides ACC students opportunities to learn about LTC HIM settings. She is an AHIMA Approved ICD-10-CM Train-The-Trainer.

Sabina Harte

Sabina Harte has been working in the Health Information Management field for over 32 years. She has worked in a wide variety of health care settings including: Acute Care Hospitals, Intensive Care Units, Rehab Hospitals, Outpatient Clinics, Psychiatric and Drug and Alcohol units within Acute Care Hospitals, and Long Term Care facilities. For the last ten years Sabina has been working as a consultant in Long Term Care facilities. She is currently serving as the AHIMA Long Term Care Practice Council Co-Chairperson and on the e-HIM Strategy Team. She is on the Regis Advisory Board for the Health Services Administration and Management Program and is a preceptor for student internships. Sabina is an approved AHIMA ICD-10-CM Train-The-Trainer.
