Cost Reporting & Rate Setting for Colorado Medicaid

The Colorado Health Care Association along with HCPF and Myers & Stauffer will once again present a full-day workshop on the Medicaid cost reporting and rate setting process for skilled nursing facilities.

Join a panel of experts--senior staff members from Myers & Stauffer--as they walk you through the cost report and draft setting components unique to Colorado Medicaid.

Learn how the MDS and staffing decisions can impact components of your Medicaid rate.

Join members of the HCPF Provider Fee team as they explain the implementation of the Alternative Rate Methodology.
