AANAC RAC-CT® Program

How the Three-day Certification Works

To be eligible to become RAC-CT® Certified (Resident Assessment Coordinator—Certified) an individual must:

1. Be a clinician/professional involved in the RAI process. We recommend six months of experience with the RAI process and MDS 3.0.

2. Complete ten required AANAC courses and pass each of the associated final certification exams with an 80% or higher.

Certifications are good for two years once all required courses are passed.

Contact Hours

The American Association of Post-Acute Care Nursing (AAPACN)* is accredited by the American Nurses Credentialing Center's Commission on Accreditation. AAPACN* works in conjunction with the National Association of Long-Term Care Administrator Boards (NAB) to provide nursing home administrators with continuing education credit for any AANAC workshop attended.

*The American Association of Post-Acute Care Nursing (AAPACN) is the parent organization to AANAC.

Continuing Education Hours

The RAC-CT 3-day workshop is approved for 22.5 CEs.

California Only Statement: Provider approved by the California Board of Registered Nursing. Provider #16860, for 22.5 Contact Hours.

Course Completion Requirements

CNE for a live workshop is based upon actual classroom attendance for the duration of the scheduled educational activity and is verified through sign-in sheets. If a student must leave before the activity is scheduled to end or is late arriving, he/she will not receive full CE credit. Partial credit may be awarded. Each attendee, based on sign-in sheets/attendance will receive the CE certificate upon the completion of the educational activity. Final exams are not a requirement for claiming a CE certificate for a live workshop.

Resident Assessment Coordinator—Certified

RAC-CT®
WORKSHOP
— INCLUDING PDPM

PRESENTED BY

AANAC
TRAINING PARTNER

Increase your knowledge of clinical assessment and care planning, completion of the MDS, and the regulations surrounding the RAI/MDS process by attending the three-day AANAC Resident Assessment Coordinator—Certified (RAC-CT®) certification workshop including PDPM. Having the RAC-CT credential behind your name shows that you are a knowledgeable and capable MDS professional.

If you are waiting to take RAC-CT, you are missing out!

The curriculum has already been updated with PDPM information, so you and your team will be ready come October 1, 2019. We hear your reluctance, but know we have you covered. We will provide you with the updated coding modules once the *RAI User's Manual* is final.

This certification is the most widely-recognized and respected MDS 3.0 certification available in the long-term care profession, as well as the mark of nurses who understand more than a paper form—they understand resident assessment. The workshop will increase your knowledge and skills required to perform accurate assessments using the *RAI User's Manual.*

This workshop covers the following content from the RAC-CT curriculum:

- **Managing the Patient-Driven Payment Model (PDPM) in a skilled Nursing Facility:** Understand the six different payment models under PDPM, and much more
  NOTE: All PDPM Updates are final
- **Accurately Assessing Functional Status and the MDS 3.0:** Understand the survey process as it relates to assessment or functional status
- **Care Area Assessments:** Identify the 20 care areas, documentation, requirements, and timing for completion
- **Care Planning:** Improve your critical thinking skills and understanding of interim and "I Format" care plans so your residents have every opportunity to thrive while doing what they love in a way that works for them
- **Five-Star Quality Rating System:** Understand how the annual licensing and certification survey impacts your facilities Five-Star Quality Rating System
- **Medicare Part A:** Navigate your facility through government audits by helping other teammates capture the right assessment information and knowing what MDS documentation auditors will ask for when they arrive
- **MDS 3.0 Coding for OBRA and PPS Parts 1 and 2:** Learn how to accurately code the MDS 3.0
- **OBRA Timing and Scheduling:** Understand the requirements for scheduling and Timing OBRA-required assessments and how to appropriately use the discharge assessment as well as identifying the criteria for completing the Significant Change in Status Assessment

- **Quality Measures:** Understand the components of each Quality Measure score calculation and the facility processes necessary to achieve good scores
- **PPS Timing and Scheduling:** Will be available as a PDF only through September 2019 — no exam
- **Resource Utilizations Group IV:** Will be available as a PDF only through September 2019 — no exam

Workshop Information

- Schedule: 8:00 am – 5:00 pm-please arrive 15 minutes early on the first day
- Access the RAC-CT certification exams in the online AANAClassroom at AANAC.org

  You have 90 days from the date the final exams are launched to complete and pass them with a score of 80% or higher.

Cancellation Policy

AANAC and/or the training partner are not responsible for any fees incurred due to cancellations or postponements. Attendee cancellations must be submitted in writing to the AANAC office via email to workshops@AANAC.org. All cancellations received seven business days prior to the start date of the workshop will be refunded in full, minus a $50 processing fee. Refunds for cancellations received fewer than seven days prior to the start date of the workshop will not be issued, except for an emergency or a visit from State Surveyors. Registration fees cannot be transferred to another AANAC program.
