

## Focus on Fall Investigation & Intervention

MARCH 18, 2020

CHCA Digital Classroom

11:00-12:00 PM

Free

### TARGET AUDIENCE:

Nursing and Clinical Professionals, CNAs

### LEARNING OBJECTIVES:

This webinar will review the prevalence of falls in long-term care facilities, the importance of implementing appropriate interventions in preventing falls and repeated falls, and defining the fall risk assessment and investigation process through the use of root cause analysis.

### SPEAKER:

CATHY KNOPF, BSN, RN, RAC-CT

Cathy is a Risk Management Consultant for AssuredPartners/Risk Management Solutions. She is responsible for the management and delivery of risk management services to an established Senior Living book of business. This includes clinical and environmental risk assessment completion, managing educational unit, conducting CE activity presentations, assistance with pre-litigation management activities, and action plan development. She has served as a Director of Nursing for nearly 10 years, and has over 25 years of experience in the senior health care industry. She is familiar with the survey process, quality improvement programs, the MDS process, and the Medicare/Medicaid reimbursement process. Cathy received her BSN from The College of Mount Saint Joseph in 1988 and shortly thereafter obtained her RN license.

At AssuredPartners, we're not just in the insurance business. We're in the business of cementing powerful, lasting relationships. Relationships built on trust that we earn day in and day out by working openly and honestly with you as partners to achieve common goals.

As true partners, our national team of dedicated, highly experienced insurance brokers and professionals always have your best interests in mind and are passionate about protecting your assets and helping you grow. We find all the best new solutions through listening, problem solving and collaborating with you. We don't blindly enforce corporate mandates - we make decisions that are right for you. Ones that fulfill your exact needs and further your success - now and in the future. That's power through partnership.
