

Covid-19 Relief Funding: “Getting it is one thing, proving you needed it is another”

Presented and Sponsored By:

AUGUST 21, 2020

1:00 PM - 2:30 PM

Members: \$50 | Non-Members: \$150

Target Audience:
NHAs, Business Office, Corporate Reimbursement Staff, Financial Teams

Description:

This webinar helps the participant understand the various sources of stimulus funding, understand the differences between forgivable grants and repayable loans and necessary accounting requirements to avoid the risk of repayment / recoupment of funds. Based on decades of working with government grants and programs expert advice will be offered on how to properly account for lost revenues and new expenses associated with the pandemic. How to avoid risk by properly matching funding sources to expenditures to avoid double dipping.

Objectives:

- Understand the multitude of different stimulus funding sources available
- Learn how to account for lost revenue and additional expenses resulting from the pandemic
- Gain insight on expenditures to include that most likely are to be forgotten
- Discover how to avoid potential pitfalls, including the risk of having to repay stimulus funds

Lea M. Geiser Hayler, CPA Managing Director

Ms. Geiser has more than 20 years of experience working with not-for-profit and health care entities. As a managing director, Lea has final review and issuance/signature authority for the firm. She is a member of the American Institute of CPAs, Colorado Society of CPAs, Christian Leadership Alliance and Home Care Association of Colorado.

Camille B. Lockhart, CPA Partner

A member of BKD National Health Care Group, Camille joined BKD in 1992 and provides audit and consulting services to long-term care facilities, continuing care retirement communities (CCRC) and home health and hospice agencies. Her expertise encompasses Medicare and Medicaid reimbursement consulting, including cost report review and analysis, rate component analysis and strategic planning.
