DECEMBER 8, 2020

10:00 AM - 11:30 AM

Members \$50 - Non-members \$150

Full OSHA Series Pass

Members \$200 - Non-members \$600

### TARGET AUDIENCE:

Administrators and Managers of Skilled Nursing, Assisted Living Facilities, and any other long term skilled nursing facilities

Speaker will present information on COVID-19, including exposure risk, OSHA and CDC guidance for protecting workers, and how OSHA will enforce its standards regarding COVID-19.

This presentation is apart of the 2020-2021 OSHA Webinar Series. Other topics in this webinar series include:

- Safe Resident Transferring
- Work Place Violence Prevention in Healthcare
- Blood Borne Pathogens
- Hazardous Slips, Trips and Falls
- OSHA Inspection Procedures
- Recordkeeping & Reporting

Due to the COVID-19 pandemic and recommendations from the CDC, CDPHE, and Governor of Colorado, CHCA has decided to host all programs digitally until it has been determined to be safe to return to in person training's until further notice for 2020-2021

### Speaker: Brian Oberbeck

Brian is a Compliance Safety and Health Officer with the OSHA Denver Area Office. He has been a compliance officer with OSHA for more than eighteen years. Prior to OSHA, Brian was a Safety Specialist with the University of Wisconsin. He is a graduate of the University of Wisconsin-Stevens Point and Colorado State University. He has degrees in Chemistry and Environmental Health (Industrial Hygiene).

The Denver Area Office is responsible for enforcement of the OSH Act and providing compliance assistance to employers in Colorado.
