

Survey Boot Camp

AUGUST 7, 2020

8:30 am - 12:30 pm

Members: \$75 | Non-Members: \$225

TARGET AUDIENCE:
Administrators, DONs, and Managers

Current survey activities (infection control surveys and complaints) will be the focus of this survey training. This 1/2 day session has been developed and will be presented by two former surveyors and current long term care professionals who want to give you tools to make surveys more manageable.

This course is geared towards administrators and nursing directors, but is useful for anyone in management who wants to learn more.

Presented and Sponsored by:

SPEAKER:

KAILE HILLIARD

Kaile Hilliard is the owner and principal consultant of MarKail & Associates Consulting, LLC and is also a part-time Regulatory Compliance Manager for Genesis Healthcare's Western Division. Kaile is an expert in survey preparedness, writing plans of correction, IDRs and specializes in QAPI and social work consulting to assist with best practice and quality. She has worked as a geriatric case manager and as a case manager trainer before working as a long-term care state surveyor in Colorado.

SPEAKER:

MARITZA STRAUB

Maritza Straub graduated from Kent State University with degrees in therapeutic recreation and psychology. She did her internship at the King Adult Day Enrichment Center (KADEP) and worked in a nursing home setting for three years prior to becoming a long-term care surveyor for the State of Colorado. After the state health department, Maritza began a career at Vivage as well as Pathways for Quality Consulting. She is currently a Quality Improvement Specialist at Vivage and the Vice President of Clinical Services for Pathways for Quality.
