Sponsored by:

AUGUST 12, 2021

9:00 am - 3:00 pm

Members: \$75 | Non-Members: \$225

## TARGET AUDIENCE:

Administrators, DONs, and Managers

## Learning Objectives:

The new survey will be the focus of this comprehensive survey training. This all day session has been developed and will be presented by two former surveyors and current long term care professionals who want to give you tools to make survey less stressful and more manageable. This course is geared towards administrators and nursing directors, but is useful for anyone in management who wants to learn more.

## Program Topics:

- Survey history and survey types
- How survey results impact 5-star ratings
- Survey preparation
- Survey management
- Plan of correction writing
- Revisits and crafting IDR responses

## SPEAKER: KAILE HILLIARD

Kaile Hilliard is a Licensed Clinical Social Worker in the state of Colorado and is a graduate of Colorado State University's Master's of Social Work program. Kaile has a long history working with skilled nursing, assisted living and critical access hospital facilities as a survey/regulatory expert and quality assurance process improvement guide across all disciplines. Kaile is a former CO Statesurveyor and has worked as a clinical and regulatory consultant for over 15 years. She has extensive experience working with small and large operators to achieve successful regulatory, CMS 5-Star, and clinical outcomes.

## SPEAKER: MARITZA STRAUB

Maritza Straub graduated from Kent State University with degrees in therapeutic recreation and psychology. She did her internship at the King Adult Day Enrichment Center (KADEP) and worked in a nursing home setting for three years prior to becoming a long-term care surveyor for the State of Colorado.
