

Earn Your BSN With **Zero** Out of Pocket Costs

Reducing the Barriers to Earning Your BSN

Nurses should not need to spend thousands of dollars to earn their BSN and take the next step in their nursing career.

Our Equity Impact Scholarship Fund of up to \$7,500 can be added to any tuition assistance program from your employer to top off the tuition and pay for any other college costs such as books, and graduation fees.

Accredited by:

\$2,500
per term
